CLEARINGHOUSE RULE 98-019

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. If the title to a section is shown (such as in s. NR 20.16), it should be written in solid capital letters and underscored. [See s. 1.05 (2) (b), Manual.] However, since only s. NR 20.16 (1) and (2) are amended, the title need not be shown.

b. In s. NR 20.16 (3), the first sentence should be numbered as par. (a) and the remaining paragraphs should be renumbered accordingly.

c. In s. NR 20.16 (3) (a), “available” should be replaced by “provided by.” Also, see s. 1.09 (2), Manual, with respect to the required “note” for the form. [See also s. NR 20.16 (4).]

d. In s. NR 20.16 (3) (b), the phrase “number of anglers (resident and non-resident)” should be replaced by the phrase “number of resident and non-resident anglers.”

e. In s. NR 20.16 (4), the word “elected” should be replaced by the word “elects.”
